

Croft Vaughn (Master of Ceremonies)

Croft hails from NYC where he first encountered LGBT Country Western Dancing at a Lesbian Bar in Brooklyn almost 10 years ago. He was immediately hooked and began his dancing habit at the Big Apple Ranch where he has called home since then. Traveling in the arms of another person is the most thrilling experience, and it has taken him across the US and Canada. He is a veteran of the Manhattan Prairie Dogs, an international champion in advance line dance, and pleased as planters punch to MC the competitions at the Columbus ReBoot!
